BASE CAMP

Use this worksheet to identify which statement you most identify with for each of the ministry areas.

—Glorify—

Encounter:

I attend worship when asked by friends or family. I pray when I am facing a life changing moment.

Explore:

I attend worship when I am able and find myself praying for the needs of my world every few days.

Engage:

I worship with my faith community regularly, and set aside time for daily worship and prayer that allows me to recognize what God is doing in my life.

Endeavor:

I honor God and model discipleship in the way I work, play and engage with others. I see all of these things as an act of worship.

—Grow—

Encounter:

When I worship I am open to the message and recognize the need for holistic growth.

Explore:

I occasionally read scripture and relate it to my life. I am becoming more disciplined about taking care of myself spiritually, physically and emotionally.

Engage:

I consistently read and apply scripture to my life. I am willing to get outside of my comfort zone and make goals that stretch me as a person and invite others to hold me accountable.

Endeavor:

I contemplate scripture daily in order to transform my life. As part of the body of Christ I am not only held accountable for my actions, but called to invest in the spiritual, physical and emotional well being of other disciples.

—Give—

Encounter:

I give of my treasure when convenient. I give of my time and talents as requested, but not anything beyond the worship experience.

Explore:

I give of my treasure a set amount when I participate. I give of my time and talents by volunteering for one-time assignments, testing the waters to find my service ministry.

Engage:

I tithe to my faith community and give to special needs that arise. I give of my time and talents by committing to serve in an ongoing capacity.

Endeavor:

In addition to my tithe, I give sacrificially to my faith community in order to impact lives and make deep disciples in partnership with the Holy Spirit. I give of my time and talents by leading a ministry and welcoming others to step into service, stepping out of my personal comfort zone and placing my trust in God.

---Go---

Encounter:

I am interested in making a difference in my community, but I have yet to find my place in outreach and missions opportunities. I don't often have faith conversations and rarely invite others to attend ministry events with me.

Explore:

I attend and financially support some local outreach and mission projects throughout the year. I have invited a few people to attend church with me.

Engage:

Sometimes I help leaders organize outreach and missions projects. I often invite others to join me at ministry events and stay connected with those I invite. I am comfortable talking to others about my faith.

Endeavor:

I am willing to plan and lead missions projects locally and abroad. I have spent time capturing/writing my faith story and feel comfortable sharing it in a variety of life circumstance with the hope to encourage deeper discipleship in others.
